DevOps Days
Chicago 2017

Sponsorship Prospectus

From fledgling startups to established industry, the Midwest is home to a large, vibrant technology community. Chicago in particular has been a flurry of activity in the past several years, drawing attention from around the globe.

DevOpsDays Chicago brings development, operations, QA, InfoSec, management, and leadership together to discuss the culture and tools to make better organizations and products.

Sponsoring DevOpsDays Chicago will expose your brand to influencers in this growing technology community and give your organization's representatives a chance to talk with conference participants.

Whether you're looking to recruit more talent, demo a new product, or generate brand awareness, DevOpsDays provides a unique opportunity to interact with technology professionals.

We expect 450 people this year, and will be holding the event at the Holiday Inn Mart Plaza in downtown Chicago. Call for speakers will open on April 14 and close on June 16.
Speakers will be announced July 10.

Support DevOpsDays Chicago soon to garner the attention you'll receive for being an early sponsor of the event!
